

CALL FOR APPLICATIONS FOR THE AWARD OF RESEARCH FELLOWSHIPS
Regulation on Research Fellowships pursuant to Italian Law no. 240/2010
Politecnico di Bari, issued by Rectoral Decree no. 252 of 05/07/2016

Rectoral Decree no. 745 /2020

Purpose

Applications are invited for the selection running at: Department of mechanics, mathematics and management of the Politecnico di Bari for the award of:

-n. 1 professional grant research fellowship, for the execution of research activities within the project entitled: *"Innovative risk management and decision-making techniques for critical resilient infrastructures in presence of uncertainty"*, according to the annexed Activity Programme:

"The research project called "Innovative risk management and decision-making techniques for critical resilient infrastructures in presence of uncertainty" consists in the analysis and development of innovative risk management techniques to determine the optimal actions to reduce the level of risk and vulnerability or increase the resilience of critical infrastructures. The project will therefore be aimed at developing a decision support tool for choosing the optimal emergency response and post-critical event recovery plan which, even using accurate and timely information deriving from monitoring networks in critical situations (real -time business intelligence), makes it possible to quantify the impact of risk and define mitigation measures capable of responding adequately to threats, considering the conflicting objectives of the actors involved and technical uncertainty (behavior of critical infrastructures) and economic-financial.".

The call for applications for the research fellowship issued pursuant to the University Regulation issued by Rectoral Decree (D.R.) no. 252/2016.

The activities shall be carried out under the supervision of a tutor, Scientific Responsible Prof. Roberta Pellegrino in a non-subordinate relationship with no set working hours.

The main place of work will be: Department of mechanics, mathematics and management of the Politecnico di Bari, VIA ORABONA,4 , BARI, ITALY

Comparative assessment of the candidates and the Evaluation Board

The candidates will be assessed comparatively by a Commission appointed by a Rectoral Decree, and formed by three professors of Politecnico di Bari.

The selection procedure focuses on the examination of the selection criteria laid down in advance by the Commission, the candidates' scientific-professional curriculum and the scientific work and publications resulting from the documents enclosed with the application as well as an interview, aiming to verify the suitability of the candidate for carrying out the research programme.

During the interview, the Commission will also verify the candidates' knowledge of the foreign language(s) required in the announcement on relevant sectoral topics.

The oral exam may be held also by using Skype. These applicants have to prove their identity to Commission by showing the colour ID document already attached in the application. Candidates will also have to produce, together with the documentation pursuant to art. 3, Annex C duly filled.

Notice about date and location where the oral examination will be published on the online register praetorian (Albo pretorio) of the Politecnico of Bari.

To be admitted for interview, the candidates must show a valid ID document.

At the end of the selection procedure, the Board will draw up a list of candidates with relative scores, and the final ranking of the selection will be published on Politecnico's online register praetorian by a Rectoral Decree.

If two candidates receive the same scores, preference will be given to the younger candidate. The successful candidate has to send to Politecnico di Bari, within 15 days starting from the day after of final ranking publication the following documents:

- a) declaration of acceptance of the research fellowship, by filling up the form available on www.poliba.it/Ricerca/Assegni di Ricerca;
