

HOW TO CORRECTLY UPLOAD YOUR PHOTO

The photo that must be uploaded when enrolling must be:

- In colour;
- In .jpg format (*.jpg)
- RGB
- 96 DPI
- 288 x 384p in size

You can check if your photo has been uploaded correctly by logging into your esse3 page.

IMPORTANT: the photo you will upload **will be used by Poliba to identify you.**

Administration will not be held responsible for the contents of the photos uploaded by students.

COMMON UPLOAD ISSUES

Wrong format

We remind you that only the .jpg format is allowed.

Small size

If you are uploading a scan of a physical photograph, please make sure to crop it so that only you are visible, and not the area around it like a piece of paper used to hold it in place.

Inappropriate content

Photos that go against common sense or are offensive in any way are strictly prohibited. Transgressors will face disciplinary action.

REPLACING THE PHOTO

Should a student notice that the photo they have uploaded is inappropriate, they must replace it by themselves by following these instructions.
