

International Management Talent Program – Metro Potentials

Wholesale is our origin, wholesale and customized services are our future. With 670 stores in 24 countries, at METRO Cash and Carry we help **professional customers** all over the globe to successfully run their own businesses.

Championing their **passion, ambition, creativity** and **flexibility** is a challenge that only the best talents can meet. Are you ready to take it? We are looking for our next **Metro Potentials!**

Your Journey with us

Metro Potentials it's a two-year **Management Talent Program** designed to bring out **the leader in you** and **accelerate your career**.

We will guide you to **discover your entrepreneurial spirit** and **dive in the wholesale and services business**, through:

- **International experiences**
- **Exciting and cross-departmental projects**
- **Interactions with inspiring customers**
- **Job rotations**
- **Multi-functional development**
- **Continuous learning**
- **Mentorship**
- **Networking**

Starting at one of our Milan Home Contry stores and Headoffice, you will then be ready to challenge yourself spending **nine months abroad** in **two different countries**.

The goal of this **fast-track path** is to **empower your talent** and make your way to the **management position** that best suits your aspirations.

What makes you a Potential

- **#FoodLover** is one of your favourites hashtags
- You have the personality and the social media skills to be an influencer
- You have a digital mindset and you are not afraid to use it
- You feel at home wherever you can follow your passion
- You are curious and sensitive to issues like sustainability
- You know what you want and how to get it
- You are a born team-player

- You took a fully grade Master's degree in Economics/ Engineering or a specialization in Business Administration/Retail
- You have maximum 3 years' experience working in innovative companies or startups
- You didn't miss the chance to study or work abroad
- Your English is great and even better if you can manage a second foreign language

Why should you start a Global Journey?

We are an **international and diverse community** committed to making everyone's uniqueness shine and have the **courage to innovate**.

Take the opportunity to **broaden your professional and personal horizons** by leaving your comfort zone and being in the **driver seat to be successful**.
