FEE AND CONTRIBUTIONS FOR ACCESSING TO DOCTORAL PROGRAMMES

All admitted doctoral students won't pay university fees as they are only required to pay the virtual stamp and the fee for the right to study (ADISU – Agency for the Right to University Studies) and must comply with the regulations established within *Regolamento Tasse del Politecnico di Bari*.

Politecnico di Bari gets automatically the **ISEE Certificates** in order to calculate the fee amount of ADISU. Declarations must be available in the proper and definitive version on the INPS portal within 31.12 of the calendar year of registration or enrolment (for A. A. 2021/22 within 31 December 2021). If ISEE is not available within the deadline, it will be applied the maximum fee amount.

Enrolment fee amount is 136 € and includes the first part of Regional Tax for the right to study (€ 120) and the virtual stamp (€ 16).

The amount of the tax for the right to study is divided into 3 sections which are related to income – respectively €120, €140 and € 160. Therefore, on the basis of the value indicated on ISEE Certificate, the other part will be billed on Esse3 student platform in the following months.

All the payments must be carried out through PagoPA system, which guarantees electronic payments to public administrations in a safe and reliable way (click on the link to consult information, payment methods and user guide for PagoPA: <http://www.poliba.it/it/didattica/bacheca/pagopa>)

Thus these payments will be automatically recorded on Politecnico di Bari management system almost at the same time of the payment.
